## INTELLECTUAL PROPERTY ASSIGNMENT

This **INTELLECTUAL PROPERTY ASSIGNMENT** (this "Assignment"), dated as of September 30, 2015 (the "Effective Date"), is entered into by and among *TEMP-TATIONS LLC*, a Delaware limited liability company with a place of business at 180 Gordon Drive, Suite 102, Exton, Pennsylvania, 19341 ("Assignor"), and *TEMP-TATIONS BRANDS LLC*, a Delaware limited liability company with a place of business at 180 Gordon Drive, Suite 102, Exton, Pennsylvania, 19341 ("Assignee"). Each of the Assignor and Assignee are herein referred to individually as a "Party" and together as the "Parties."

### BACKGROUND

- A. Assignor owns all rights, including, without limitation, Intellectual Property Rights, in the Assigned IP; and
- B. Assignor desires to assign to Assignee all rights, including, without limitation, Intellectual Property Rights, in the Assigned IP, and Assignee desires to acquire such rights.

### AGREEMENT

In consideration of the mutual promises contained in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound hereby, agrees as follows:

1. Definitions. The following terms have the meanings set forth below in this Assignment.

1.1 "Assigned IP" means the Intellectual Property Rights relating the Copyrights, Marks, and Patents.

1.2 "Copyrights" means the works and accompanying registrations and applications for registration set forth on Exhibit A attached hereto.

1.3 "Intellectual Property Rights" means all intellectual property rights and industrial property rights (throughout the universe, in all media, now existing or created in the future, for all versions and elements, in all languages, and for the entire duration of such rights) arising under statutory or common law, contract, or otherwise, and whether or not registered or otherwise perfected, including without limitation, all (a) patents, reissues of and reexamined patents, and patent applications, whenever filed and wherever issued, including without limitation, continuations, continuations-in-part, substitutes, and divisions of such applications and all priority rights resulting from such applications; (b) rights associated with works of authorship, including without limitation, copyrights, moral rights, and all registrations and applications for registration of such copyrights, and all issuances, extensions and renewals of such registrations and applications; (c) rights and goodwill associated with trademarks, service marks, trade names, brand names, logos, trade dress, other indicia of origin, and all registrations and applications for registration of such trademarks, including intent-to-use applications, all issuances, extensions and renewals of such registrations and applications; (d) rights analogous to those set forth in this Section 1.3 and all other proprietary rights relating to intangible property;

Intellectual Property Assignment - 1

(e) divisions, continuations, renewals, reissues, and extensions of the foregoing (as and to the extent applicable) now existing, or later filed, issued, or acquired; and (f) all rights to sue and recover and retain damages, costs and attorneys' fees for past, present and future infringement and any other rights relating to any of the foregoing.

1.6 "Marks" means the trademarks, trade names, service marks, brand names, logos, trade dress whether registered or unregistered, and/or marks specified in Exhibit B attached hereto.

1.7 "Patents" means the patents, patent applications, extensions, divisionals, continuations, continuations-in-part, reissues, re-examinations, and renewals specified in Exhibit C and any patent or patent applications from which any of them claim priority or that claim priority from any of them.

2. Assignment of Assigned IP. Assignor hereby sells, transfers, conveys, assigns and sets over to Assignee all of its rights (including, without limitation, Intellectual Property Rights), good and marketable title, and interest in and to the Assigned IP, together with all goodwill in connection therewith, subject to existing liens, security interests, encumbrances or claims of others, including those of Siena Lending Group LLC, and Assignor reserves no rights in any of the Assigned IP. Assignor hereby waives any and all paternity, integrity, moral and other similar rights that it may have now, or in the future, in the works of authorship that are embodied in the Assigned IP. Assignor authorizes the Register of Copyrights of the United States, the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States whose duty it is to receive or register copyrights, patents, trademarks or applications therefor, to record Assignee as the owner of the Assigned IP and to issue all registrations for the Assigned IP in the name of Assignee.

3. Further Assurances. Upon each request by Assignee, without additional consideration, Assignor will promptly execute documents, testify and take other acts as Assignee may deem necessary or desirable to procure, maintain, perfect, evidence and enforce the full benefits, enjoyment, rights, title and interest, on a worldwide basis of the Assigned IP and all rights assigned hereunder, and render all necessary assistance in making application for and obtaining all Intellectual Property Rights related to the Assigned IP in Assignee's name and for its benefit.

4. Miscellaneous.

4.1 Binding Effect. Except as otherwise provided in this Agreement, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective permitted successors, transferees, and assigns.

4.2 Construction. The Background section is incorporated into this Agreement by reference. No presumption of interpretation shall be imposed against any Party in the construction of this Agreement. If a Party hereunder has a right to make a decision in its sole discretion, such discretion will be interpreted to mean such decision may be made without any applicable reasonableness standard. When used herein, the words "includes" and "including" and their syntactical variations shall be deemed followed by the words "without limitation."

4.3 Headings. The headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define or limit the scope, extent or intent of this Agreement.

4.4 Severability. Should any term or provision of this Agreement be held to any extent unenforceable, invalid, or prohibited under law, then such provision shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Agreement. The application of such term or provision to persons, property, or circumstances other than those as to which it is invalid, unenforceable, or prohibited, shall not be affected by such invalidity, unenforceability, or prohibition, and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

4.5 Governing Law. This Agreement, each transaction entered into under this Agreement, and all matters arising out of or related to this Agreement shall be governed in all respects by the laws of the Commonwealth of Pennsylvania, without giving effect to its rules relating to conflict of laws. Except for actions seeking equitable relief, which may be brought in any court of competent jurisdiction, any action arising out of or relating to this Agreement shall be brought and resolved only in, and the Parties irrevocably submit to the jurisdiction and venue of, the state courts located in Chester County, Pennsylvania and the federal courts located in the Eastern District of Pennsylvania.

4.6 Entire Agreement. The provisions of this Agreement, including the Schedule, set forth the entire agreement and understanding between the Parties as to the subject matter hereof and supersede any and all prior or contemporaneous representations, understandings, or agreements, express or implied, oral or written, and other communications between the Parties relating to the subject matter hereof.

4.7 Counterparts. This Agreement may be executed in any number of separate counterparts each of which when executed and delivered to the other Party shall be an original as against the Party whose signature appears thereon, but all such counterparts shall together constitute one and the same instrument.

*[Signatures on Following Page]*

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first written above.
